

Diagram illustrating the layout of a 13x12 grid of labels. The grid is composed of 13 columns and 12 rows of labels. The overall dimensions are 11.00 [279] in width and 8.50 [216] in height. The grid is divided into three main sections:

- Left Margin:** A vertical strip on the left side, labeled "PRINTER LEAD EDGE" and "FEED IN THE DIRECTION". It contains a small rectangular area labeled "USER INKJET LABELS".
- Imprint Area:** The central area containing the 13x12 grid of labels. Each label is shaded with diagonal lines. The area is labeled "IMPRINT AREA".
- Clear Area:** A vertical strip on the right side, labeled "CLEAR AREA".

Dimensions and Spacing:

- Overall width: 11.00 [279]
- Overall height: 8.50 [216]
- Label width: .50 TYP. [12.70]
- Label height: .500 [12.70] TYP. 13 PLCS.
- Label pitch (width): 1.500 [38.10] TYP. 6 PLCS.
